This Directory was created to help all residents, both new and old, navigate their way through the large number of community groups, recreational clubs, government services and service agencies.

Every effort has been made to include the most current information on the many agencies and services available in our community at the time of this publication.

Data used in compiling the Community Services Directory has been obtained from information submitted by each organization or is based on information found on the internet. The listing of an agency in this publication does not substantiate an endorsement of its purpose, methods, or quality of service by the Town of Pincher Creek. This Directory is only a guide to services.

The contents of this Directory demonstrate the unique and rich resources Pincher Creek has in its volunteer groups. It is through our involvement with these different service groups that we create and find our sense of community.

The Pincher Creek Community Early Learning Centre
We believe that each child learns every day through every situation. Our philosophy is embedded in the understanding that nurturing and strengthening each child’s dispositions to learn recognizes that as young children learn about the world, they also learn about who they are as learners. We see each child as a mighty learner and citizen – as someone who plays, seeks, participates, persists and cares.

Play is central to the philosophy of our center and we believe playing and playfulness are both conditions for and dispositions to learn.

Two new centres are slated to open in the late spring of 2020.

Lebel Mansion Historical Site and Art Gallery
The Pincher Creek landmark was built in 1910 and served as the private residence of local businessman Timothee Lebel until 1924. The mansion was then donated to the Roman Catholic Order Les Filles de Jesus for use as a hospital. Later, the building formed the core of the St. Vincent’s Municipal Hospital. This graceful three story brick structure exhibits French Canadian and Queen Anne influences and dominate, the skyline of Pincher Creek. The building was designated as a Historical Resource in 1976. The building was purchased by the Town of Pincher Creek in 1985 to become the current home of the Allied Arts Council as well as their Art Gallery and Gift Shop and is home to the serene Oldman Rose Garden. The building is open to the public and visitors are welcome to take a self-guided tour during Gallery and Gift shop hours. Contact us for gallery showings, classes, and unique gift ideas.
