

What time is my bins collected?

Garbage is picked up *between 8am and 4pm*. Pick up times vary based on driver's route and the rate at which the truck fills up. The garbage truck does need to empty at different times depending on the volume picked up.

The truck missed my bin, will they come back?

If bins are missed because of it being overfilled, not placed out on time, or a vehicle is parked too close, the truck will only come back if reported and an additional pick-up fee will apply.

What do I do if my bin is damaged?

Call the Town or submit a Citizen Request. Damaged bins should be placed at the curb for pickup and repair/replacement.

I have mobility issues and can't get my bin to the curb. Will the Town help?

Yes! Please call us to request to be added to our *Solid Waste Special Accommodation* list.
