

Child Care Update

July 27, 2018, 4:30 p.m.

This afternoon, the Town of Pincher Creek was advised by Children's World Daycare board of directors that due to staffing shortages they will be closing on August 10.

Mayor and Council have been working with a child care consultant to develop a new child care centre in Pincher Creek that will be licensed and open on September 4, 2018. The Town will continue with the plan to open the new facility on September 4.

We understand that this will have a significant impact on many families in Pincher Creek. We would like to encourage families who will require child care in September to put their children on the waitlist located on the Town of Pincher Creek website at: www.pinchercreek.ca/residents/daycare.php

Please watch the website and official Town communication channels for updates.
