

Day Care Services Update

July 16, 2018

On June 7th, Children's World Day Care announced they would cease operations on August 31st of this year. There have been many inquiries about on-going child care services in our community.

As Mayor Anderberg stated in his response to the June 7th announcement: "Council understands the critical importance of high-quality, accessible, and affordable child care in Pincher Creek."

Since that time, the Town has been working closely with a consultant to ensure the continuance of child care service. The Town is proceeding with the incorporation of a not-for-profit company to eventually oversee the operation and management of community child care services. While this process takes place, a new temporary operating entity has been contracted. "Hand-in-Hand Childcare Services" will be the temporary license-holder responsible for what was previously Children's World Day Care. They bring a wealth of experience and knowledge to our community. Recruitment for a Director has been started, and advertising for additional staff will begin soon.

Starting on September 3rd, the day care services previously located at the Children's World Day Care Town Hall site will move to St. Michael's school.

For information updates and to place your name on a waitlist for Day Care at the St. Michael's location, please go to the [Town website](#), click on the "Residents" link, and then click on Day Care. OR, email your information to daycare@pinchercreek.ca
