Inter-municipal Collaboratation Framework Collaboration between Town of Pincher Creek and Municipal District of Pincher Creek

MEDIA RELEASE INFORMATION TO SHARE (ICF Committee Approved)

August 7, 2019

- MD & Town working together for many years to maximize services.
- Goal is Fiscal responsibility to you our Residents
- 2016 Government Alberta introduced new legislation requiring Intermunicipal Collaboration Framework Regulations
- MD's Council and the Town Council commitment is to the greater Pincher Creek Region to build Community
- ICF Committee established to review our services and find ways we can collaborate even more
- Updated Legislation Bill 21 – Modernized Municipal Government Act requires communities that border one another collaborate to maximize tax dollars and enhance services to Residents, creating intermunicipal collaboration frameworks (ICFs)
- ICF Agreements must address 6 pillars of service: Transportation, Wastewater, Solid Waste, Emergency Services, Recreation, and, any other services that benefit residents in more than one of the municipalities that are parties to the agreement.
- Municipalities working together to ensure consistent optimal service to your greater Peace River Greater Community needs, versus the individual Municipality's needs
- Maximize resources, minimize duplication, share best practices to learn, grow and ensure continued service
- Obtain and value Public input
- Approach issues from a place of understanding and then explore the possibilities of how the funding and implementation can be managed.
- Enhanced access to all facilities for the citizens in the Town and MD Region.
- Cost sharing without impact on Partners mandates.
