

Preparing Your Garbage

Do's and Don'ts

- **Do** - Drain and wrap wet waste to keep your garbage container clean and to avoid attracting insects and animals.
- **Do** - Bag diapers, kitty litter, animal excrement (small amounts only), cold ashes and sawdust.
- **Do** - Have your bin out between 8am and 4pm on your collection day
- **Don't** - Overfill Your Container
Any garbage that doesn't fit in your container must be saved until the next collection day
- **Don't** - Store your bin on the street, all bins must be stored on the premises
- **Don't** - Dispose of Paint, Toxic or Hazardous materials. These items can be delivered to the annual roundup.
- **Don't** - Dispose of cardboard in your bin.
