

## **TEMPORARY MANDATORY FACE COVERING BYLAW NOW IN PLACE FOR THE TOWN OF PINCHER CREEK**

Friday, December 4, 2020

Council for the Town of Pincher Creek passed by majority Bylaw #1628-20: Temporary Mandatory Face Covering today at a special Council meeting.

The bylaw comes into effect immediately.

For the safety and protection of our community, Town of Pincher Creek residents and visitors must wear a face covering or mask at all times in indoor public places and public vehicles, even when physical distancing can be achieved, unless the person is separated from others by an installed screen, shield or other barrier. Exemptions to this bylaw are listed on the website and include, but are not limited to, children under the age of two, individuals with medical conditions, and those who are consuming food and/or drink.

A Frequently Asked Questions document can be viewed on the Town website under [Public Notices](#). A [printable sign](#) for businesses to post is also available on the Town website under Public Notices.

Proof is not required if someone has an exemption, unless requested by a Bylaw Enforcement Officer. Businesses are also not expected to deny services, as not everyone is required to wear a face covering. Failure to wear a face covering where required or failure to display signage may result in a penalty of \$100.

The health and safety of our residents and staff is our top priority. The Town of Pincher Creek continues to support Alberta Health officials in managing the pandemic by implementing responsible decisions to prevent the spread of COVID-19 and to support our community.
