

TOWN OF PINCHER CREEK
Veteran's Memorial Campground
Campground Opening – Covid-19 Guidelines

The Veteran's Memorial Campground will be transitioning to a partial opening on June 1st, 2020. This decision has been planned out based on advice from Alberta Health Services, direction from the Province of Alberta and Government of Canada and coordination with the Town of Pincher Creek, and the Pincher Creek Regional Emergency Management Organization.

- Only 50% of campsites will be available and they will be spread out to ensure a minimum distance of 20 feet between trailers.
- Reservations are strongly recommended due to limited availability.
- A waiver and code of conduct for each campsite must be read, completed and signed upon arrival. You can view/print/complete the waiver prior to arrival, it is located on our website.
- We want to ensure the safety of our Campground hosts - No cash transactions please. Visa/Mastercard preferred and debit when needed. Virtual registration and check-in is encouraged.
- The only guaranteed services available to you are power/water/sewer on your campsite or the power/water and sanitary dump where necessary.
- We may have to change site locations around to provide further distancing measures, especially if any sites are particularly close to one another. Those affected will be notified.
- Group camping or social gatherings such as group bonfires, potlucks, happy hour, etc. are prohibited. Organized activities such as bingo, karaoke, exercise classes, garage sales and the use of social halls are prohibited. Any gatherings must stay below 15 people.
- If an amenity is busy, such as the shower facility or picnic shelter, it is best to come back outside of peak times or use another amenity
- The Sani-dump is available, campers should be aware that it is not cleaned and sanitized on a regular basis and users should practice good hand hygiene before and after using it.
