The annual internal review, which is part of the accreditation program to deliver safety codes services, covered a total of 92 completed safety codes inspections. The Bylaw Enforcement Department is to enforce the bylaws, provincial acts and regulations including; developments without permits, expired permit and unsightly premises. The internal incidents/activities reporting and tracking process of the Community Peace Officers, which is on an ongoing basis, is current and reviewed daily, and in compliance with the Public Security Peace Officer Program. For the third quarter 2020 there were a total of **138 counts** year-to-date of incident types reported of which the detailed report is attached. Currently, the CPO's are handling all incoming dog and general animal complaints.

Peace Officer Shared Services

In addition to providing peace officer services to the Village of Cowley the Town also provides animal control services to the MD of Pincher Creek on an on-call basis. Internal reporting regarding bylaw enforcement services, including time allocations, in each jurisdiction is ongoing and reviewed by administration accordingly.

Weed Control/Inspection

The CPO's provide and oversee the Town's weed control program which typically runs from May to November in each year.

Noxious weeds are on the list of things that Community Peace Officers watch for while on routine patrols during spring and summer months. Complaints from property owners allows Bylaw Enforcement to be successful in keeping the community for most part noxious weed free.

When invasive plant species (*noxious weeds*) are detected by CPO's or by residents, there are several ways that CPOs handle weed concerns in town.

- 1) Weeds on town property; CPOs will contact the licenced pesticide applicator.
- 2) Make an IWork's for Public Works to maintain the area.
- 3) CPOs will pull or dig up weeds if it's on a small-scale infestation. Small-scale meaning one or two invasive plants along an alley way.
- 4) Weeds on private property are handled by the property owner. CPOs contact the property to maintain weed infestations as property owners' see fit. Authority is provided under the town's nuisance bylaw 1574-19. Section 3. This includes dandelions.
